EXPLANATIONS

B9B (Official Form 9B) (12/12)

| | |
|--|--|
| Filing of Chapter 7 Bankruptcy Case | A bankruptcy case under Chapter 7 of the Bankruptcy Code (title 11, United States Code) has been filed in this court by or against the debtor(s) listed on the front side, and an order for relief has been entered. |
| Legal Advice | The staff of the bankruptcy clerk's office cannot give legal advice. Consult a lawyer to determine your rights in this case. |
| Creditors Generally May Not Take Certain Actions | Prohibited collection actions are listed in Bankruptcy Code §362. Common examples of prohibited actions include contacting the debtor by telephone, mail or otherwise to demand repayment, taking actions to collect money or obtain property from the debtor; repossessing the debtor's property; and starting or continuing lawsuits or foreclosures. Under certain circumstances, the stay may be limited to 30 days or not exist at all, although the debtor can request the court to extend or impose a stay. |
| Meeting of Creditors | A meeting of creditors is scheduled for the date, time and location listed on the front side. The <i>debtor's representative must be present at the meeting to be questioned under oath by the trustee and by creditors</i> . Creditors are welcome to attend, but are not required to do so. The meeting may be continued and concluded at a later date specified in a notice filed with the court. |
| Do Not File a Proof of Claim at This Time | There does not appear to be any property available to the trustee to pay creditors. <i>You therefore should not file a proof of claim at this time</i> . If it later appears that assets are available to pay creditors, you will be sent another notice telling you that you may file a proof of claim, and telling you the deadline for filing your proof of claim. If this notice is mailed to a creditor at a foreign address, the creditor may file a motion requesting the court to extend the deadline. <i>Do not include this notice with any filing you make with the court.</i> |
| Bankruptcy Clerk's Office | Any paper that you file in this bankruptcy case should be filed at the bankruptcy clerk's office at the address listed on the front side. You may inspect all papers filed, including the list of the debtor's property and debts and the list of the property claimed as exempt, at the bankruptcy clerk's office. |
| Creditor with a Foreign Address | Consult a lawyer familiar with United States bankruptcy law if you have any questions regarding your rights in this case. |
| Refer to Other Side for Important Deadlines and Notices | |
